MEET THE NEW CHEF: MARIO GARCIA

Passion meets precision, creativity meets lightness: with Mario Garcia, we welcome one of Switzerland's most exciting young chefs as Chef in Residence at HERMITAGE until the end of summer. His impressive career is matched by a grounded personality and a refined sense for flavors.

Look forward to highlights such as trout ceviche, homemade agnolotti, Lake Lucerne bouillabaisse, tender veal loin, Alpstein chicken, and the dessert "Lightness of Spring."

BAR TERRACE VIBES

On sunny days, our bar terrace is the place to be for great drinks and long hours outdoors. Come by, order your favorite cocktails, and enjoy what might just be the best sunset view over Lucerne.

Afterwork, spontaneous meet-ups, or simply a drink – exactly the right spot for everything that's better outside.
