FONDUE CHINOISE THURSDAY

Make yourselves comfortable with us on Thursday evening. In our glass-enclosed Living Room, enjoy all-you-can-eat Fondue Chinoise with delicious sides and homemade sauces. Plus a welcome drink and plenty of time for a relaxed winter evening in good company.

Every Thursday from 6 pm.

THINGS ARE GETTING WILD!

This autumn, HERMITAGE is getting wild for the first time. Head Chef Mario Garcia and his team serve bold autumn flavours and classics from our game menu. Enjoy bacon-wrapped saddle of venison, game meatloaf, or vegetarian crown ravioli with wild mushrooms, pumpkin and pear. A premiere that tastes like autumn.

WINTER CELEBRATIONS

Time to celebrate together! Whether it's a Christmas dinner with the team, a family celebration or an evening with friends, winter flavours and great company come together at HERMITAGE. Enjoy a festive 3-course menu with views of the lake and mountains or all-you-can-eat Fondue Chinoise. You bring the festive spirit, we'll take care of the rest.
