

MEETINGS & WORKSHOPS

HERMITAGE

LAKE LUCERNE

Welcome to new Hospitality

Dear meeting and workshop planners,

THE PLACE TO MEET: With us, thoughts have a broad horizon. Seminars, conferences or workshops therefore end with new good ideas, solutions or ambitious goals for your company.

The infrastructure with spacious and well-equipped rooms with a view of the lake creates a working atmosphere that is both professional and creative. Our HERMITAGE team will spoil you during breaks with energizing brain food and serve delicacies from our kitchen. And when the work is done, your participants can enjoy the unique ambience of our hotel over an aperitif with a view of the lake and mountains in our bar, or in summer in our HERMITAGE Beach Club.

Welcome to HERMITAGE – where good vibes make people happy.

We look forward to seeing you
YOUR HERMITAGE LUZERN TEAM
